Study to take the exam.

Study to earn RCHs for Recertification.

Every class hour is worth 1 RCH. It takes 120 hours to recertify.

Further your career. Learn a great deal more about your profession. This group will use the 2021 edition of the APA Payroll Source™ as the text material. You must **supply your own text** for this group. Cost for this session is \$200 for members and \$250 for non-members. This session is limited to 15 participants. Go to <http://www.apa-richmond.com> to register.

WHY TAKE THE COURSE? WHY GET CERTIFIED?

The study course is not easy and it **DOES** require drive and determination but it is **well worth** the effort. Ask any CPP how proud they are of that accomplishment. For some it has meant a better career position or additional income. For others only the **personal pride** has been their reward. We can't guarantee a promotion or a raise in salary but we can help with your feeling a tremendous sense of pride after you get your certification and your certificate to hang on your wall.

Register early. <http://www.apa-richmond.com>. **Registration deadline is June 18, 2021.** Minimum of 10 participants required to have this session.
